TO WHOM IT MAY CONCERN

Dear Sir,

Subject: **N.P.N.T. ARKING of Gjakove**

We confirm that N.P.N.T.ARKING has been employed as a Contractor on our programme for the refurbishment of Public Buildings throughout Kosovo.

ARKING undertook the refurbishment of Block 1 of the Student's Dormitory at the University of Pristina and other associated buildings including the construction of a new boiler house and services for the entire complex.

Under the Project Manager, Mr Mehdi Dibra and the General Manager, Mr Albert Domi, this Company maintained a good working relationship with the Beneficiaries throughout their contract and performed the works in a responsible manor often in difficult circumstances.

We would not hesitate to recommend N.P.N.T.ARKING for other similar work as a competent Contractor

Yours faithfully

Trevor Maguire
Project Manager,
Louis Berger S.A.

Dormitory Prishtina - Block 1
